

Message from OTA Technical Director

January 14, 2009

To the Members of the Ontario Taekwondo Association,

Happy New Year to all!

Our shared vision has developed into a shared mission. I accepted this appointment with commitment and honor, and look forward in implementing new systems in place, and reciprocate involvement in our Association & Province. Success is the only option with your support.

Attached is an action plan in development. This will be a document that will be a work in progress, so please monitor periodically for updates.

Thank You very much and looking forward to a busy, and useful season.

Sincerely,

Grandmaster Young Su Choung,
Technical Director
Ontario Taekwondo Association
