

The Ontario Taekwondo Association Quest for Gold – Ontario Athlete Assistance Program 2008-2009 ATHLETE SELECTION CRITERIA

Quest for Gold – Ontario Athlete Assistance Program 2008-2009 (OAAP) is funded by the Government of Ontario, through the Ministry of Health Promotion (MHP), and operated through the Sport and Recreation Branch. The overarching goal of the *Quest for Gold* – OAAP is directly related to the Enhanced Excellence goals of both *ACTIVE2010* and the *Canadian Sport Policy* – to improve the performance and number of Ontario athletes performing at the national and international level; thereby contributing to the improved performance of Canada at international competitions. Specific objectives of the program are:

- a) To help athletes continue their pursuit of athletic excellence at the highest levels of national and international competition;
- b) To encourage athletes to stay in Ontario to live and train;
- c) To compensate athletes for earnings lost while training;
- d) To enable athletes to successfully pursue excellence in sport while fulfilling their educational goals;
- e) To increase athlete access to improved high performance coaching; and
- f) To enhance training and competitive opportunities available to athletes.

The program will provide direct financial assistance to Ontario junior-aged athletes through an “Ontario Card” designation. “Junior-aged athlete” is defined as those athletes who fall within the eligible age range for the Canada Games - 11 to 22 years of age. (Consideration will be given to older junior-aged athletes if a PSO/MSO’s NSO-approved Long Term Athlete Development model (LTAD) identifies older athletes in the “Train to Train” and “Train to Compete” categories). The intent of the OAAP is to provide funding to individual athletes based on their demonstrated commitment to high performance sport, allowing them to pursue athletic excellence at the highest levels of national and international competition.

How does it work?

In accordance with the OAAP guidelines, the Ontario Taekwondo Association is responsible for developing sport specific selection criteria and forming a Selection Committee that will apply the criteria to select those athletes who will be awarded Ontario Card status in 2008-2009. The Selection Criteria is approved by the Board of Directors and reviewed by MHP staff. Nominated athletes will be required to sign an Athlete Agreement between the athlete and The Ontario Taekwondo Association. Carding status will be for one year starting April 1, 2008 ending March 31, 2009.

In 2008-2009, the Ministry of Health Promotion allocated a certain amount of OAAP Ontario Cards to each eligible Provincial Sport / Multi-Sport Organization (PSO/MSO). The Ontario Taekwondo Association has been allotted a total of 8 Ontario cards (split evenly as 4 male and 4 Female Cards).

A minimum of 70% of the Ontario cards will be allocated to what the Ministry of Health Promotion defines as junior-aged athletes (11 to 22 years of age). A maximum of 30% of the Ontario cards may be allocated to athletes no longer eligible for “junior athlete” status, (athletes 23 and over).

Cards will be specifically allocated to the following categories. If there are no Senior Level athletes meeting the point criteria set out by the Ontario Taekwondo Association then all 8 cards will be given in the Junior Category.

Category	Number of cards
Junior Level Athletes (Ages 15-22 at Dec 31 st 2008)	6 Full Cards (3 male, 3 female)
Senior Level Athletes (Ages 23 & Above at December 31 st 2008.)	2 Full Cards (1 male, 1 female)

In accordance with the OAAP guidelines The Ontario Taekwondo Association is responsible for forming a Selection Committee and sport specific selection criteria to nominate the athletes for Ontario carding status in 2008-2009. This selection criteria has been approved by The Ontario Taekwondo Association Board of Directors.

The Selection Committee is comprised of the following members:

Chris Park, Vice President Technical
 Duro Vojnovic, Director North Region
 Marcel Lacasse, Director Special Needs

How much funding is available?

The exact level of funding for the 2008-2009 carding year will be determined by the Ministry after the total number of athletes nominated for Ontario Card status has been determined. Funding will be released prior to March 31, 2009.

How will The Ontario Taekwondo Association Selection Committee decide who receives funding?

The Ontario Taekwondo Association Selection Committee will use both the Ministry of Health Promotion Eligibility Criteria and the Sport Specific selection criteria detailed below to determine which athletes will be nominated by The Ontario Taekwondo Association for Ontario Card status in 2008-2009:

Ministry of Health Promotion Eligibility Criteria:

All athletes must also meet the Ministry of Health Promotion's minimum athlete eligibility criteria:

- Athlete must be a Canadian citizen or landed immigrant;
- Athlete must be a resident of Ontario for one year prior to his/her nomination for carding status, with the following exception;
 - The residency requirement will be waived if the athlete is a direct family member of:
 - a regular force member, or
 - a reservist as defined in subsection 1 (1) of the *Employment Standards Act, 2000* who is deployed under a circumstance described in clause 50.2 (1) (a) or (b) of that Act, or who is deployed or in any other way placed on active duty under a circumstance described in regulations made for the purposes of clause 50.2 (1) (c) of that Act.
- Athletes must be training and continuing to train in Ontario. Exceptions ("Residency Exceptions") will be made on a case specific basis providing that the athlete can substantiate that:
 - He/She cannot receive the required level of training in Ontario and is out of the province **temporarily** during the year (i.e. due to lack of facilities, coaching, competitions);
 - ▶ The onus is on the athlete to demonstrate that he/she needs to be out of province. The athlete will submit written documentation to their PSO/MSO's Selection Committee clearly indicating how they meet these exceptions. The Ministry may require that the athlete provide supporting documentation from the athlete's PSO/ NSO, National Sport Organization (NSO) or other sources to verify reasons for athlete's absence from the Province of Ontario.
 - He/She must attend a post-secondary institution out-of-province because the course of study is not available to him/her in Ontario;

- It is more financially feasible to attend a post-secondary institution out-of-province, or other extenuating circumstances that require the athlete to be out of the province.
- Athlete must be a member in good standing with PSO/MSO and NSO where applicable.
- Athlete must demonstrate a commitment and dedication to a proper training and competitive program.
- Athlete must be instructed by a coach who has been trained and certified in the National Coaching Certification Program (NCCP) Level 2 or equivalent.
- Athlete must not be under sanction as per the Canadian Anti-Doping Policy.
- Athlete must be attending an educational institution full-time (i.e. primary and secondary schools)
 - Exceptions will be made providing that the athlete can substantiate that his/her training will not allow for full-time attendance or if an athlete requires special needs that preclude full or part-time attendance (e.g. Athlete with a disability (AWAD))
- Athletes who have completed their area of study at the secondary level (i.e. high school) and who continue to train towards participation in major national or international competitions will also be given consideration.
- If eligible, the athlete must compete, and continue to compete for Ontario for one year from the date of the Minister's letter informing the athlete of acceptance into OAAP program, at Canada Games and other national competitions involving provincial team competitions. Athletes who have achieved Canada Card status are not eligible for Ontario Cards.
- Eligibility will be limited to Ontario junior-aged athletes ("junior-aged" refers to chronological age, not a sport's specific age category - only exception is for PSO/MSOs using 30% of Ontario Card allotment for Sr. level athletes not funded by Sport Canada – see below) who have been identified as a next generation national team athlete as demonstrated by:
 - Identification within the NSO pool of identified next generation national team athletes for the last two competitive seasons; OR
 - Results at regional championships, national championships (junior and/or senior) or other recognized national/international competitions over the last two competitive seasons; OR
 - Representation on a Canadian National Team (developmental and/or junior). Athletes training for Canada Games or provincial teams may also be considered.

Sport Specific Athlete Selection Criteria:

The sport specific athlete selection criteria will be utilized in the identification, ranking and selection of athletes for Ontario Cards.

- Athletes that received Quest for Gold funding in 2007-2008 must meet all the terms of the 2007-2008 The Ontario Taekwondo Association Quest for Gold Athlete Agreement before the PSO Selection Committee will consider their application for carding in 2008/2009.
- Athletes for the Junior Category must be within the ages of 15 to 22 at December 31st 2008.
- Athletes for the Senior Category must be 23 years of age and older at December 31st 2008.
- All Athletes must submit a hard copy of the OAPP Application Form to The Ontario Taekwondo Association by Dec 15 2008 to be eligible for consideration for the Quest For Gold Ontario Card.
- Only those who have completed and submitted the application will be considered for the Ontario Card.
- Only those competitions listed below will be considered for point accumulation.
- The competition season will be from January 1st 2008 to December 31st 2008.
- Must have competed at Junior or Senior National Championships in 2008.
- At the end of the competition season, all points will be tabulated and the top 7 ranked female athletes and the top 7 ranked male athletes will be considered to be the Ontario Card Candidate or Alternate.
- A determination will be made to discover if there will be any senior athletes who met the selection criteria and ranked in the top 7 of each of the male and female divisions.
- If the number of Junior Athletes within the top 7 is under 3, then the next ranked candidate will be chosen until there are at least 3 Junior Candidates in each of the female and male divisions.
- If there are no Senior Athletes that are in the top 7 of each division, then all 8 cards will be distributed to the Junior Division Candidates.
- Nominated athletes will sign an Athlete Agreement with the Ontario Taekwondo Association. One condition of this agreement is that athletes receiving a 2008-2009 Ontario Card must compete in 2009 Junior or Senior National Championships.

- o From those top 7 in each division, the results of international, national and regional competitions will determine the ranking of the recipients. The ranking order will be determined from Podium results in the following order.

Podium Results at World Junior Championships or Senior Pan Am Championships
 Podium Results at Commonwealth Games, World University Championships & US Open
 Podium Results at Senior and/or Junior National Championships and Olympic Team Trials
 Podium Results at Provincial Selection Games

- o There is no limit to the number of years an athlete can be nominated for an Ontario Card, as long as the athlete meets the Sports Specific as well as the MHP eligibility criteria.
- o In the case of a tie in points, podium results in the order stated above will be the first determining factor in breaking the tie. The second determining factor will be the number of victory matches to attain those podium results. The third determining factor will be the number of competitions entered in the competition season. If still tied after these factors, the higher point ranking athlete from previous years will be considered the deserving athlete.

Residency Exemption for Military Families: The one-year Ontario residency requirement is waived for any Ontario Card or Canada Card applicant who is a spouse or dependant of a: Regular Force member of the Canadian Forces; or Reservist currently deployed by the Canadian Forces into active service. This means that eligible military family members now qualify for OAAP funding immediately upon becoming residents of Ontario. Please see the 2008-2009 *Quest for Gold* Athlete Handbook for details of this exemption, including a list of documents needed to verify eligibility for this waiver of the one-year Ontario residency requirement .

Alternates:

The Ontario Taekwondo Association will also nominate alternates to those athletes nominated for Ontario Card status. Alternates will be those athletes who are ranked directly behind those athletes nominated for the allotment of Ontario Cards in a particular category/discipline. The names of alternates will be published along with the names of nominated athletes. If an athlete drops out or is removed from the OAAP an alternate will be substituted into that athlete's position, provide that:

- Alternate is substituted within 2008-2009 fiscal year
- An alternate is available from the same category/discipline/card level (Full/Half)
