

Ontario Results from the Canadian Junior National Taekwondo Championship held in Calgary

The Ontario Taekwondo Association wishes to thank all athletes, coaches, officials and parents who travelled to Calgary, AB to compete in our national championship on the weekend of April 5 – 6, 2008. And we all wish to celebrate the success of our athletes who won medals, especially our Gold medal winners who are listed in the tables below. A-division gold medalists will represent Canada at the upcoming World Championships in Izmir, Turkey. We are proud of them and wish them success.

The effort needed to succeed at this level is a giant step higher than what many people think. For those who have been there before, they know what it takes. There are very few pain free moments for a serious taekwondo athlete. Not many competitors leave competition and heavy training sessions without ice bags on bruised body parts. The emotion of sport-both the highs that go with victory and the gut wrenching lows that go with defeat-are experiences that will truly rank as some of the strongest memories of our lives. Win or lose, you have shown courage and dedication and should feel justly proud of what you have achieved on a national stage.
